Dear Officer,

Ref. Wayne Hand's professional conduct

I am an electrical engineer teaching at BCIT, under the supervision of Mr. **Wayne Hand**, Dean. I have serious concerns about Mr. Wayne Hand's professional conduct. Under the **Rule 9**, I have a professional obligation to report it.

As shown on the attached document, I have a **RIGHT** and **DUTY** to **warn my colleagues against the perils of the CORRUPTION** in the Supreme Court of British Columbia; otherwise, they may fall victim to the same **wrong doers**.

As per the **Rule 1**; I am obliged to **notify my colleagues**; because, their security is at risk due to the **CORRUPTION IN THE COURT SERVICES**. Nevertheless, Mr. Hand **obstructed my communication with my colleagues**, through email. *Obviously*, he was aware of his **WRONG**; therefore, he **refused to sign his decision**, despite my numerous requests. (See attached CD/responsible persons/BCIT or www.ethicsfirst.ca)

He has threatened me with the termination of my employment due to insubordination. I filed a complaint with BCGEU regarding this issue.

Please, investigate this **vitaly significant issue** for the protection of the **PUBLIC**, and **notify** the members of APEGBC, so that they can protect themselves against the **perils of the CORRUPTION IN THE SUPREME COURT OF BRITISH COLUMBIA**.

If you need further information; please, let me know. All the relevant documents are published at: www.ethicsfirst.ca and www.justsociety.info

PUBLIC DOCUMENT

Ann English, P. Eng.
200-4010 Regent Street
Burnaby BC V5C 6N2

Dear Mrs. English,

Ref. Wayne Hand's professional conduct, file T17-36

I complained about Mr. **Wayne Hand's** conduct on the grounds of that he RESTRICTED my FREEDOM OF SPEECH and **prevented me from informing my colleagues against the perils of the CORRUPTION IN THE SUPREME COURT OF BRITISH COLUMBIA**. And, I provided you with the conclusive evidence of it.

In your letter dated February 24, 2017, you stated that Wayne Hand's conduct **did not relate to unethical behavior** and declined to investigate the complaint.

Any reasonable person may conclude that:

The ETHICS of a PROFESSIONAL ENGINEER in British Columbia is so downcast that a professional engineer may restrict the freedom of speech of a member of the PUBLIC.

I am glad that, I am not a member of your ASSOCIATION.

The Public have the **right to know**, for their **protection**.

Sincerely,

Ron Korkut
