Dear Member of the MEDIA,

Re. Duty to protect each other

I am a victim of a potentially FATAL hit and run **crime perpetrated** under the LIABILITY of ICBC, on May 31, 2009. My offender was caught, but he was not prosecuted; because, ICBC assumed the liability for the CRIME. *Nevertheless*, ICBC **refused** to pay my nonpecuniary damages. Therefore, it was my DUTY to bring ICBC to JUSTICE. Obviously, if victims fail to take legal action against the criminals, it is IMPOSSIBLE to prevent CRIME.

I tried every possible avenue to discharge my DUTY to bring ICBC to JUSTICE. *Nevertheless*, the Chief Justice, Christopher E. Hinkson declared me "**vexatious litigant**" and **obstructed** my access to JUSTICE.

Chief Justice Hinkson knows that ICBC is a FRADULANT business; *because*, ICBC insures and **protects** CRIMINALLY negligent drivers and hit and run CRIMINALS. According to ICBC quick statistics, about 90% of the crashes are caused by CRIMINALLY negligent drivers and hit and run CRIMINALS who **kill 264** and **injure 51,000** people each year. ICBC sells *mandatory* insurance to FORCE diligent drivers to pay the damages of **\$4 billion** made by CRIMINALLY negligent drivers.

I had **no choice** other than **informing** my colleagues at BCIT to raise public awareness about the CORRUPTION in the Courts. Even though, I had ten years of pristine record of employment, **Wayne Hand** terminated my employment just because of my communication with my colleagues, on February 8, 2017. He **accused** me of "**disobedience**"; *because*, I *declined* to attend a meeting to negotiate my RIGHT and DUTY to inform my colleagues. His accusation was FALSE; *because*, he was **not my supervisor**; he did not know me to accuse me of "**disobedience**". Furthermore, *declining to attend a meeting that is NOT NECESSARY* does not amount to "**disobedience**". (See BCIT-BCGUE at www.ilaw.site)

BCGEU, union lawyer **Oliver Demuth refused to communicate** with Wayne Hand to **confirm** that there was **no issue** other than *my RIGHT and DUTY to inform my colleagues*, and **dismissed** my grievance. I reported the issue to Labour Relations Board. They were reluctant to help me; yet they asked me to pay \$100 for a five-minute call to Oliver Demuth to remind him, his DUTY to confirm the FACTS with Wayne Hand, *because it is impossible to resolve a labour conflict based on single sided facts*.

Employment Insurance **refused** to pay EI benefits, *therefore* I have no income for over a year. The lawyers are **refusing** to provide me with legal service. For more information, please review the presentations: ICBC CRIME, BCIT-BCGEU and LEGAL ETHICS at my websites.

Please, review ICBC CRIME, attached; if you have any concerns about the validity of the FACTS, let me know. Otherwise, PUBLICIZE IT for the protection of the PUBLIC; it is your DUTY. Thanks.

Dear Mrs. Tait,

Ref. Duty to INFORM THE PUBLIC

Previously, I raised the following issues to your attention; because, it is the DUTY of the media to inform the PUBLIC against any potential HARM:
