Executive Non-Commissioned Officer to the Officer in Charge  
Burnaby Detachment, Royal Canadian Mounted Police (RCMP)

**Dear Mr. Buis,**

As a **victim** of potentially fatal hit and run crime I have a RIGHT and DUTY to bring my offender to JUSTICE. Otherwise, it is **impossible to prevent crime**.

I have tried to fulfill my DUTY by filing four civil litigations for over six years; because, I was not allowed to file criminal action against my offender. Nevertheless, my cases were dismissed by Justice **Nathan H. Smith**, Justice **Austin F. Cullen**, Justice **Janice R. Dillon** and the Chief Justice **Christopher E. Hinkson**. They were aware of the following facts and rules of Law, before they dismissed my legal actions:

1. I was a victim of potentially fatal hit and run crime and I was **obliged** to bring my offender-in-Law, ICBC, to justice.
2. ICBC **assumes the liability of 49,000 hit and run crimes**, that kill 8, injure and cripple 2,200 people in the province of British Columbia every year. (ICBC quick statistics)
3. ICBC provides **financial benefits to hit and run criminals** under the cover of “*accident insurance benefits*”, where offenders are identified, as proven in my case.
4. **Hit and run is a criminal offence** under the section 252, Criminal Code of Canada.
5. Court orders **must be signed properly** by the judge to prove the validity or the order.

Dismissing the legal action of a victim of crime who is struggling to bring his offender to JUSTICE, is a patent DENIAL OF JUSTICE and a perfect example of CORRUPTION. Therefore, as a victim of ongoing corruption in the Supreme Court of British Columbia, I have legal obligation to publicize this issue; otherwise, my offenders may harm the other members of the Public.

Since I am concerned with the credibility of our Administration of Justice, I have to notify all the authorities in the Administration of Justice, before launching my publicity campaign.

I believe as a law enforcement officer you have some obligations to take action against the Corruption I reported in the attached document. **It is impossible to prevent hit and run crime as long as the members of the judiciary aborts the legal actions of the victims of hit and run crime.**

Please, investigate this issue and let me know, if you are willing to help me to prevent hit and run crime, within the bounds of the LAW OF THE LAND.

Sincerely,

Dear Mr. Critchley,

I am a **victim** of potentially fatal hit and run crime. Therefore, I have a RIGHT and DUTY TO BRING MY OFFENDER TO JUSTICE. Otherwise, **it is impossible to prevent hit and run crime**. I have struggled to discharge my DUTY for seven years without any success. The following are the fundamental facts about this case, substantiated by the legal documents enclosed:

1. My offender was caught, but RCMP **failed to charge him with hit and run crime**, because, ICBC **assumed the liability of the crime**.
2. Even though, it is **unlawful** to provide insurance benefits to criminal offenders, ICBC paid - on behalf of my offender - the cost of my car he destroyed in the commission of the hit and run crime.
3. Furthermore, ICBC disregards the Criminal Code of Canada, S252, by assuming the liability of 49,000 hit and run crimes, that kill 8, injure and cripple 2,200 peoples in the province of British Columbia every year, including the cases where the criminals are identified.
4. Since the court registry did not allow me to file a criminal legal action against ICBC, I was obliged to file three civil cases in the Supreme Court of British Columbia. Nevertheless, under the supervision of the Chief Justice **Christopher E. Hinkson**, all my legal actions were dismissed without any authority and the justices refused to sign their orders in compliance with the procedural norms.
5. Finally, the Chief Justice declared me "*vexatious litigan*" and obstructed my access to the Court Services. For any reasonable person, this is a **perfect example of corruption** in the Supreme Court of British Columbia.

Now, my DUTY is to publicize this vitally important issue, in order to prevent harm to the Public. Nevertheless, the proper procedure, for me, is to notify law enforcement before discharging my DUTY.

I believe, as a **law enforcement** officer, you owe DUTY to the Public and you can do something about curbing the corruption in the Court Services, due to the fact that:

**A justice who dismisses the legal action of a victim of crime, is more dangerous OFFENDER than the one who actually commits the CRIME.**

Therefore, I would like to meet with you to discuss the possible actions – within your responsibilities - you may take **to prevent hit and run crime** in our community.

Sincerely,

Ron Korkut

Hi Mrs. Noonan,

Thanks for responding to my request. Next week, on Tuesday April 26, at 1:15PM, we can meet. This issue is NOT about professional ethics, it is about PREVENTING HIT AND RUN CRIME. Therefore, if I can meet with someone who is in charge of preventing CRIME, it would be better.

Hello Mr. Korkut,

I received a letter from you dated May 24, 2016. I received it on May 31, 2016 when I returned to work after a medical leave. Your letter (verbatim) states:

**Dear Mrs. Noonan,**

**Ref. Our meeting on April 26, 2016, file #2016-16945**

**Please let me know, if will answer the questions I asked you in our meeting, and take any action against the corruption I reported.**

**1. Who is more DANGEROUS OFFENDER?**

- a. **A person who commits HIT AND RUN CRIME, or**
- b. **A JUSTICE who protects the same CRIMINAL, by dismissing the legal action of the victim.**

**2. Are you authorized to ARREST a hit and run criminal, if reported with substantiating evidence and given the location?**

**(Your signature block)**

Mr. Korkut, as you and I discussed in length at the police station, your questions are **not in the correct context** and you do not have **a proper understanding of the law**. Certainly someone who commits a "Hit and Run" is a dangerous. Yes, I am a police officer, and I am authorized to arrest persons who commit any crimes, if there is evidence to substantiate it.

Here are the facts:

- In 2009 you were the victim of a fail to remain accident (or a Hit and run, which you would prefer to call it). Surrey 2009-63940 refers.
- You gave INCORRECT and FAULTY information to the police that were investigating the accident. Therefore the EVIDENCE that you gave would NOT have supported an arrest or charges against the offender.
- The very capable and astute police officer collected REAL EVIDENCE and did arrest and charge the driver that had caused the accident.
- The offender pled guilty and paid all of his fines, which saved you the inconvenience of having to go to court.

- You were given \$2000 for an injury claim (even though at the scene you did not claim to be injured) and \$8000 for damages to your vehicle from ICBC.
- In your mind, ICBC is now at fault because they payed you.
- You believe that because the courts will not allow you to sue (or charge) ICBC, THEY are now the offenders.
- When asked how this could ever be resolved you stated that it couldn't be and you will fight this for the end of time.
- You and I concluded our meeting, agreeing to disagree. Our meeting is documented on Burnaby file 2016-16945.

I had (and still have) concerns for your fixation in this matter and consulted with our mental health officer in regards to your **disjointed and irrational thinking** pertaining to this matter. I suggested that if you wanted to make a real difference in effecting change to make our community safer, then you could volunteer for different initiatives such as speed watch. Evidently, you are still crusading for your cause, as **unreasonable** as it is. Even the court have called you a vexatious litigant. They do not use this term for no reason.

Today, I have received your latest correspondence dated June 14, 2016, which reads as follows:

**Dear Mrs. Noonan,**

My supervisor's name is Staff Sergeant Major John Buis. I will be sure to let him know to expect some form of correspondence from you.

Executive Non-Commissioned Officer to the Officer in Charge

Dear Mr. Buis,

Ref. Corruption in the Supreme Court of British Columbia, #2016-16945.

As a **victim** of potentially fatal hit and run crime I have a RIGHT and DUTY to bring my offender to JUSTICE. Otherwise, it is **impossible to prevent crime**.

I have tried to fulfill my DUTY by filing four civil litigations; because, I was not allowed to file criminal action against my offender. Nevertheless, my cases were dismissed by Justice **Nathan H. And they refused to sign their dismissal orders in compliance with the procedural norms. They were aware of the following facts and rules of Law, before they **dismissed** my legal actions:

1. **Hit and run is a criminal offence** under the section 252, Criminal Code of Canada.
2. I was a victim of potentially fatal hit and run crime and I was **obliged** to bring my offender-in-Law, ICBC, to Justice.
2. ICBC **assumes the liability of 49,000 hit and run crimes**, that kill 8, injure and cripple 2,200 people in the province of British Columbia every year. (ICBC quick statistics)
3. ICBC provides **financial benefits to hit and run criminals** under the cover of “*accident insurance benefits*”, where offenders are identified, as proven in my case.
4. The DUTY of a Justice is to adjudicate the issue before the Court according to the Law of the Land, based on the substantiated FACTS. Otherwise, it is impossible to serve JUSTICE in the Courts of LAW.
5. Court order is significant legal document that **must be signed** in compliance with the procedural norms, by the judge who makes the decision.

Dismissing the legal action of a victim of crime who is struggling to bring his offender to JUSTICE, is a patent DENIAL OF JUSTICE and a perfect example of CORRUPTION. Therefore, as a victim of ongoing corruption in the Supreme Court of British Columbia, I have legal obligation to publicize this issue; otherwise, my offenders may harm the other members of the Public.

Since I am concerned with the credibility of our Administration of Justice, I have to notify all the authorities in the Administration of Justice, before launching my **publicity campaign**. Therefore, in my letters dated April 14 and March 21, 2016, I raised the issue to Dave Critchley's and your attention and I asked if you were willing to prevent hit and run crime by the way of taking necessary actions to curb the corruption in the Supreme Court of British Columbia.

**Nicole Noolan** responded to my letters. We had a meeting on April 26. In the meeting, I asked the following questions to her:

**1. Who is more DANGEROUS OFFENDER?**

**a. A person who commits HIT AND RUN CRIME, or**

**b. A JUSTICE who protects the same CRIMINAL, by dismissing the legal action of the victim.**

**2. Are you authorized to ARREST a hit and run criminal, if reported with substantiating evidence and given the location?**

She answered the second question and confirmed that she had the authority to arrest a hit and run criminal, in her email dated June 16, 2016. Nevertheless, she failed to answer my first question. Arguing that my question was not in the *correct context* and I did not have a *proper understanding of the law*. Furthermore, she used the terms “**irrational**” and “**unreasonable**” to demean my efforts to curb the ongoing Corruption in the Supreme Court of British Columbia, and to PROTECT THE PUBLIC. I asked her for a signed copy; but, she refused to send me the signed copy of her email.

Please, **answer** my first question and let me know if you are **willing to take any actions** against the Corruption in the Supreme Court of British Columbia documented in the file # 2016-16945.

Mr. Korkut:

I recently received more correspondence from you regarding your ongoing concerns with the Supreme Court of BC.

You indicated to me previously this incident originally occurred on the Pattulo Bridge and was dealt with in the Surrey Provincial Court. This does not appear to have any connection to the City of Burnaby or the Burnaby RCMP.

As I stated in my below emails, if you have a complaint on how the matter was handled in the courts, please contact the Canadian Judicial Council.

I will return this latest correspondence to you as it is not related to a Burnaby matter.

**Bill Fordy**, Assistant Commissioner

Dear Mr. Fordy,

**Re. Corruption in the Supreme Court of British Columbia**

**I reported the following issue to Stephan Drolet, at Burnaby Detachment. He ignored it arguing that “this is not a concern for RCMP”:**

**A - THE STATEMENT OF THE FACTS**

I am an Electrical Engineer who is teaching at BCIT and a **victim of potentially fatal hit and run crime**. I struggled to bring my offender-in-law, ICBC to JUSTICE, for seven years. Finally, Chief Justice Christopher E. Hinkson labelled me “*vexatious litigant*” and issued an order without a proper signature and stated that:

“No person is obliged to respond to the Notice of Civil Claim (my claim # S155390) ....”, July 13, 2015.

**Chief Justice Hinkson were AWARE of the following FACTS:**

1. ICBC **sells insurance under the threat** of *seizing drivers licenses* and **forces** the innocent people to pay all the damage reckless drivers and hit and run criminals cause.
2. ICBC **provides insurance benefits for criminal offenders**, under the cover of “*accident insurance*”, including the cases where offenders are identified.
3. Since hit and run criminals are covered under the accident insurance, **criminal offenders are not prosecuted**. Therefore, hit and run crime is extremely rampant.
4. ICBC assumes the liability of **49,000 counts of hit and run crime**, every year, and
5. In British Columbia, every year, hit and run criminals **kill 8, injure and cripple 2,200** peoples.
6. ICBC **forces** innocent people pay for the estimated **damage of half a billion dollar’s** caused by hit and run criminals.

**B – IGNORANCE OF THE LAW AND DUTY:**

1. **Chief Justice Hinkson** ignored the **intent of the Law**, that is protecting the VICTIMS OF CRIME. He protected the OFFENDER; because, dismissing the legal action of the VICTIM is tantamount to protecting the OFFENDER.
2. **Chief Justice Hinkson** ignored the **Canadian Criminal Code Section 252** that prohibits hit and run crime. Therefore, providing insurance to hit and run criminals is NOT LAWFUL and a person who encourages such an action, OBVIOUSLY is not in line with the Canadian Criminal Code.

3. **Chief Justice Hinkson** ignored the **fundamental principle of CONTRACT LAW** that prohibits sales contracts under **coersion**. His action is tantamount to **upholding** the unprecedented privilege of ICBC to **sell insurance under the threat** of restricting the **RIGHT** to use one's own vehicle.
4. **Chief Justice Hinkson** ignored the rules of legal procedures. He **refused to sign** his order in compliance with the procedural norms, despite my numerous requests. Obviously, an Honourable person never hesitates to sign his own decision.
5. **Chief Justice Hinkson** ignored his **DUTY to supervise the Law Courts** and make sure **JUSTICE** is **SERVED** according to the established **FACTS** and applicable **LAW**. Obviously, it is impossible to dismiss the legal actions of the victims of crime, where the Courts are supervised.
6. **Chief Justice Hinkson** ignored my **RIGHT** and **DUTY to bring my offender to JUSTICE**. He **overrode** my **RIGHT** and obstructed my access to **JUSTICE SERVICE**.
7. **Chief Justice Hinkson** ignored the **DUTY of the lawyers**, as Ministers of Justice, they are bound to **SERVE the cause of justice**. No lawyer may **file an application to abort the legal action of a victim of crime** who is struggling to bring his offender to **JUSTICE**; because, such an action is tantamount to **defeating** the cause of **JUSTICE**. Justice Hinkson honoured the applications filed by Michael G. Armstrong, John D. Waddell, Anthony Leoni and Richard S. Margets.
8. The most important of all, HE ignored his **HONOURABLE STATUS**, AS A CHIEF JUSTICE OF BRITISH COLUMBIA; because, it is impossible to associate **HONOUR** with the action of **obstructing JUSTICE to a victim of crime who is struggling to bring his offender to JUSTICE**.

As member of the Public, and a victim of potentially fatal hit and run crime, **I have a DUTY TO PUBLICIZE ALL THE LEGAL DOCUMENTS FOR THE PROTECTION OF THE PUBLIC**. Publication of "the Report of Corruption in the Supreme Court of British Columbia" may cause serious **damage to Justice Hinkson's credibility**. Nevertheless, I have to discharge my **DUTY TO WARN THE PUBLIC AGAINST THE CORRUPTION IN THE SUPREME COURT OF BRITISH COLUMBIA**. Therefore, **I will not accept any responsibility for his loss of reputation**, since I have given him sufficient legal notice.

This matter is a serious concern for the **ADMINISTRATION OF JUSTICE**. Therefore, please, remind Justice Hinkson that he is **NOT ABOVE THE LAW** and his duty is to **SERVE JUSTICE; NOT to protect criminal offenders**, by dismissing the legal actions of the victims of crime who are struggling to bring their offenders to **JUSTICE**. Otherwise, **IT IS IMPOSSIBLE TO PREVENT CRIME**.

Sincerely,

PUBLIC DOCUMENT – Final Notice

**Bill Fordy**, Assistant Commissioner

Surrey, BC V3X 1A9

Dear Mr. Fordy,

**Re. Corruption in the Supreme Court of British Columbia**

I reported the following issue to **Stephan Drolet**, at **Burnaby Detachment**. He **ignored** it arguing that “*this is not a concern for RCMP*”:

**A - THE STATEMENT OF THE FACTS**

I am an Electrical Engineer who is teaching at BCIT and a **victim of potentially fatal hit and run crime**. I struggled to bring my offender-in-law, ICBC to JUSTICE, for seven years. Finally, Chief Justice Christopher E. Hinkson labelled me “*vexatious litigant*” and issued an order without a proper signature and stated that:

“No person is obliged to respond to the Notice of Civil Claim (my claim # S155390) ....”, July 13, 2015.

**Chief Justice Hinkson were AWARE of the following FACTS:**

1. ICBC **sells insurance under the threat** of *seizing drivers licenses* and **forces** the innocent people to pay all the damage reckless drivers and hit and run criminals cause.
2. ICBC **provides insurance benefits for criminal offenders**, under cover of “*accident insurance*”, including the cases where offenders are identified.
3. Since hit and run criminals are covered under the accident insurance, **criminal offenders are not prosecuted**. Therefore, hit and run crime is extremely rampant.
4. ICBC assumes the liability of **49,000 counts of hit and run crime**, every year, and
5. In British Columbia, every year, hit and run criminals **kill 8, injure and cripple 2,200** peoples.

PUBLIC DOCUMENT

RCMP National Headquarters  
Headquarters Building  
73 Leikin Drive  
Ottawa ON K1A 0R2

Dear Sir,

**Re. THE REPORT OF CORRUPTION IN THE SUPREME COURT OF BRITISH COLUMBIA**

I am a victim of a potentially fatal hit and run crime. Therefore, I have a DUTY to bring my offender to JUSTICE; otherwise **it is impossible to prevent hit and run crime**. I have struggled to discharge my DUTY for over seven years. Nevertheless, the Chief Justice of the Supreme Court of British Columbia, **Christopher E. Hinkson** declared me “*vexatious litigant*” and **obstructed** my access to Court Services.

It is commonsense that **the DUTY of a justice is to serve the cause of JUSTICE**; NOT to protect the criminals by aborting the legal actions of the victims of crime.

For a reasonable person, this issue is a **perfect example of CORRUPTION**; because **a justice who denies Natural Justice to a victims of crime and exonarates the criminals is more DANGEROUS OFFENDER than the criminals who actually commit the crimes**.

Corruption is an **organized crime against the PUBLIC** and it is vitally important to take necessary actions to stop it.

**HIGHLIGHTS OF THE CRIME AGAINST THE PUBLIC:**

1. ICBC *blatantly* **SELLS insurance service under the threat** of taking driver’s licence. Selling any goods or services **under threat** is NOT LAWFUL; because, it violates the RIGHT to buy or refuse to buy a product.
2. ICBC **INSURES hit and run criminals and criminally negligent drivers**, under cover of “*accident insurance*”. Providing insurance service to hit and run criminals and criminally negligent drivers is NOT LAWFUL; because, it is **impossible to prevent crime**, if hit and run criminals are **insured and not prosecuted**. Therefore, hit and run crime so rampant.
3. ICBC ASSUMES the liability of **49,000 hit and run crimes**, in British Columbia every year. In those crimes, **8** peoples die and **2,200** others get injured and maimed. Furthermore:
4. ICBC forces the diligent drivers to pay all the damages made by the **hit and run criminals and criminally negligent drivers** at least one billion dollars a year.

5. In the Supreme Court of British Columbia, the JUSTICES **DISMISS the legal actions** of the victims of crime and **protect the criminals**. This is NOT LAWFULL, because, it is **impossible to prevent CRIME**, where the victims cannot bring their offenders to JUSTICE.
6. Before the Court, the LAWYERS *blatantly* **PERVERT the facts** and **Substantive Law** applicable to the issues before the Court. This is NOT LAWFUL, because, **it is impossible to serve JUSTICE**, where the lawyers have no hesitation to pervert the FACTS and LAW.
7. The corruption in the Courts is the worst of all CORRUPTIONS; because, it is **impossible to prevent any form of corruption** in the public service where the LAW COURTS are CORRUPT.

I have reported this issue to **Burnaby RCMP detachment and Bill Fordy**, Assistant Commissioner in Surrey. They ignored my complaint.

Please, investigate this organized crime and take necessary actions for the protection of the PUBLIC.

Sincerely,

Ron Korkut
