Dear Mr. Palmer,

Re. Hit and run crime prevention

I am a victim of potentially fatal hit and run crime. I have been struggling to bring my offender to justice since 2009; but, my access to administration of justice has been obstructed. Obviously, where the victims of hit and run crime cannot take their offenders to Court, it is impossible to prevent hit and run crime.

I have noticed that you have posted the following message in your website:

"The number of hit and run claims reported to the police has increased dramatically in recent years, approaching almost 1000 claims per month in Vancouver alone."

Your post encouraged me to ask you for a meeting to discuss the possibilities of joining our efforts to **prevent hit and run crime** in our community. I am available after 3pm on weekdays. Please, let me know.

Sincerely,

Ron Korkut

Mr.Korkut,

Thank you for your letter to Chief Adam Palmer and the Vancouver Police Department.

I hope your recovery from your Hit & Run accident is progressing. From your letter you sound frustrated with the ongoing legal process.

I encourage you to continue to work with the police and your lawyer.

The Vancouver Police currently participate with the Burnaby RCMP and other police departments on initiatives that are traffic related.

Since you live in Burnaby I encourage you to speak with your local police and their Traffic Services Sergeant. They are the ones who can help you at a community level to bring your ideas forward.

The Burnaby RCMP in turn can bring your ideas to our lower mainland meeting with the other police departments and stakeholders.

The name and number of the person to contact is: Burnaby RCMP Traffic Services Sgt. Dwayne Beckerleg [604-294-7922](tel:604-294-7922).

Good luck with your Hit & Run case and I hope your ideas have an impact to prevent Hit & Run in your community of Burnaby.

Thank you

Dear Mr. Palmer,

Re. Crime prevention and Corruption in the Supreme Court of British Columbia

I have presented you “THE REPORT OF CORRUPTION IN THE SUPREME COURT OF BRITISH COLUMBIA”, that is a concern for all the citizens of British Columbia. Therefore, as a LAW ENFORCEMENT OFFICER, your DUTY is:

1. To advise the Chief Justice, **Christopher E. Hinkson**, not to dismiss legal actions based on criminal offences. Otherwise, **it is impossible to prevent CRIME.**
2. And **report this issue to the Media, to ensure** the Public is protected from the malicious practice of Law in the Supreme Court of British Columbia.

PLEASE:

1. Let me know, if you are willing to discharge your DUTY to take action against the corruption in the Supreme Court of British Columbia.
2. If you are not willing to do so, sign the attached document, because this is a vitally SIGNIFICANT CASE FROM THE POINT OF THE PROTECTION OF THE LAW AND ORDER.

DEFAULT CONCLUSION:

If you fail to respond, I WILL BE OBLIGED TO CONCLUDE that YOU HAVE DECLINED TO TAKE ACTION against the **corruption** I reported to you, without any excuse, and remind you that **it is impossible to protect the Law and Order, if the Law Enforcement stays silent to the reported criminal issues.**

Sincerely,

Ron Korkut

DECLARATION OF SILENCE

I, **Adam Palmer**, Chief Constable Vancouver Police Department, have read “**The Report of Corruption in the Supreme Court of British Columbia**” prepared by Ron Korkut. I have no intention to warn the Chief Justice **Christopher E. Hinkson** regarding his conduct and I will not report the issue to the media; because, the dismissal of the legal action of a victim of **crime**, do not amount to protecting the **criminal** offender, and the Corruption in the Supreme Court may NOT cause **harm** to the Residents of Vancouver.

Dear Mr. Korkut,

Your letter has been referred to the Police Board as it is a police matter, and as such I have been requested to respond on behalf of Chair/Mayor Gregor Robertson.

Unfortunately your concern does not fall within the jurisdiction of the Vancouver Police Department. We have been informed that you have been contacted by VPD member Sgt. Jim Fidler who advised you to take up the matter with your local police jurisdiction, the Burnaby RCMP.

We trust that this is in order.

Yours Truly,

Dear Mrs. Marfleet,

Re. Crime prevention and Corruption in the Supreme Court of British Columbia

On your website, you are **complaining** about the dramatic increase of HIT AND RUN CRIME, as follows:

“The number of hit and run claims reported to the police has increased dramatically in recent years, approaching almost 1000 claims per month in Vancouver alone.”

I am **explaining** to you with a simple language that:

“It is impossible to prevent or reduce HIT AND RUN CRIME, as long as the victims of hit and run crime CANNOT take their offenders to the Court.”

You are **telling** me that, this case does not fall within the jurisdiction of the Vancouver Police Department, knowing that the responsible person for **obstructing Justice** to the victims of crime is the Chief Justice, **Christopher E. Hinkson** and he works at 800 Smithe Street in Vancouver.

On behalf of the Public, I **urge** you to **review your decision** and **take necessary actions** as required by the **Law of the Land**.

Sincerely,

Ron Korkut
